

## During a **Level 3 Evacuation**, FNSB Animal Control will open a Temporary Disaster Response Shelter for the Pets of the Shovel Creek Fire

- The Temporary Disaster Shelter will be located at the Tanana Valley Fairgrounds in the Largen Barn and livestock area with access through the Red Gate. Hours of operation will be posted when the shelter is activated.
- Domestic animals such as dogs, sled dogs, cats, and most livestock will be accommodated at the Temporary Shelter.
- Exotic animals such as reptiles, caged birds, and pocket pets will not be accepted. The animal shelter has a volunteer group tasked with coordinating care and temporary homes for exotic pets. Access to this group will be announced at Level 2 of the evacuation status.
- Owners/Caretakers will be responsible for feeding, sanitizing, and exercising their animals on a frequency of no less than twice per day.
- Visitation is encouraged and hours will be posted. 24-hour security will be provided. Animals will not be allowed to come and go from the Temporary Shelter until they are released to go back home.

In order to provide the best service possible, we ask for your help. Please let us know if you will need to use the Temporary Disaster Shelter and how many animals we can expect to set up for. Call 907-459-1480 or email [acontrol@fnsb.us](mailto:acontrol@fnsb.us) with your name and the number of animals who need shelter.
