FNSB FARMERS LOOP EAST TRANSFER SITE TO BE CLOSED JUNE 6 – 30, 2016, FOR A MAJOR MAINTENANCE AND IMPROVEMENT PROJECT

Fairbanks, AK: The FNSB Farmers Loop East Transfer Site will undergo major maintenance and improvements during the period of June 6-30, 2016, as recommended by PDC Inc. Engineers 2015 Major Maintenance and Improvement Plan. This work will be completed by local contractor Great Northwest, Inc. **The FNSB Farmers Loop East Transfer Site will be closed to the public and borough residents are requested to use another transfer site during this time.**

The site improvements will include a pad expansion allowing for future recycling, access improvements, all new fencing, relocating and improving the reuse shelter, four (4) grade separated roll off areas, new household hazardous waste collection shelter, new energy efficient lighting, and a recycled asphalt surface.

Notices of this closure will be placed onsite with signs at the Farmers Loop East Transfer Site as well as advertisement notices in the Fairbanks Daily News Miner, via Public Service Announcements, the FNSB's website, and social media.

If you have any questions or concerns, please call the FNSB Public Works Department at 459-1345.

Thank you for your patience and understanding during this temporary closure.
