Re: Outstanding Recycling Community Award

Dear Mayor Kassel,

On behalf of the ALPAR Board of Directors, it's my pleasure to advise you that the **FNSB** has been chosen to receive ALPAR's **2017 Outstanding Recycling Community Award**. We are honored to recognize the FNSB's accomplishments in creating and building the new Central Recycling Facility and partnering with a host of organizations, businesses, departments and citizens for the benefit of the people of Fairbanks.

We invite you and/or staff to attend our Annual Awards Banquet coming up on **Thursday evening, May 3, 2018 at the Anchorage Kincaid Park Chalet** (invitation is enclosed), at which time we will present the award with our enthusiastic congratulations!

The FNSB will also be recognized in the ALPAR Guide to Recycling, on our website and in news coverage of our award winners.

This year, our awards banquet theme is "Pollution Pirates – Into the Bin, Matey!" and will be a tribute to Alaskans who are raising the bar for their exemplary contributions to recycling and litter prevention in our state.

We very much hope FNSB representatives will be able to attend to accept this award. We would be pleased to provide several seats for you as our guests. Please let us know what may be possible. It is always a fun event!

Congratulations and Best Regards,

EXECUTIVE DIRECTOR

Mary Fisher
